# WELCOME MESSAGE

Dear All,

It is a matter of honour and pride for us to announce that Kolkata Society of Anesthesiologists is organising its 6<sup>th</sup> Annual Conference “Metrocon 2025” on 19<sup>th</sup> and 20<sup>th</sup> July. The venue of pre-conference workshop on 19th July will be at Fortis Hospital, Anandapur and the conference on 20th July will be held at Altair Boutique Hotel, Saltlake, Kolkata.

The pre-conference workshop will be on ultrasound guided anesthesia techniques. This hands on session will provide participants with practical experience in using ultrasound for regional anesthesia, pain management and pocus.

Throughout this one day conference, we aim to provide a platform for knowledge sharing, skill enhancement and networking. We will try to explore latest advancements in anesthesia care, discuss best practices and share experiences. We have planned panel discussions, excellent plenary sessions, interesting quiz and poster presentation competition which are relevant to both trainee and experienced anesthesiologists. We will also be providing Credit Points for the academic session and workshop.

Through your support and guidance, our goal is to enhance patient safety, improve outcomes and promote excellence in anesthesia practice.

*Regards,*
